Simcoe county off road riders association

Simcoe County logo

The Simcoe County Off-Road Riders Association (SCORRA) is a family-oriented off-road motorcycle club formed in December 2006. With the first membership of 25, they quickly grew to become one of the largest clubs in Ontario. SCORRA is actively involved in the creation, maintenance and patrolling of highways in Simcoe County. They hold a number of activities each year including rider training, trail and track rides, motorcycle maintenance demonstrations, and club meetings. The trails served by the club are mostly within the county's forestry property, where horse riding is governed by the county's recreational policy. If you are riding an Off-Road motorcycle here, you should have a valid OFTR membership. Your bike must be licensed, insured, equipped with a spark arrester and quiet. For more information or join the fun check out your website and discussion forum on www.scorra.ca, attend one of their events, or email them info@scorra.ca CONTACT: PO Box 20083 Barry, ON L4M 6E9 Below is a list of popular riding areas in Ontario. It does not include Ontario Crown Land. Ontario has a policy of freedom of use of crown lands. This means that all land in the provinces can be used free of charge unless the area is restricted by environmental factors. All riding on public land requires property, license plate, insurance and 94dB or less exhaust. Ganaraska Forest is a nature reserve located near the junction of Hwys 115 and 35. It covers more than 900 square kilometers. A day use or annual permit is required. Ganaraska is a sandy reforestation area offering more than 200 km of piste. Trails range from open fire roads to a tight winding single track through the forest. Great Pine Trail Riders are the host club. This forest is home to Mini Pine Enduro, midsummer Dream Trail Ride, Great Pine Trail Ride and OCMC Club Enduro. County Forest - This is the county forest surrounding the Barry area. You must be a member of of of the OFTR ride here. Failure to do so may result in charges of violation. The SCF has almost 200 km of the same route. Trails range from open fire roads to a tight winding single track through the forest. Some areas have very few height changes while others get pretty hilly. The soil is mostly sandy to the loam. Unlike the Ganaras SCF, it is divided into several small plots of land. Not all woodlands are considered suitable for motorized use. Simcoe County Off Road Riders are the hosting club. Maps are only available to OFTR members on OFTR or SCORRA websites. SCF hosts Midhurst Trail Ride. Northumberland County Forest - It's forest north of Kobur. You must be a member of of of the OFTR ride here. Failure to do so may result in charges of violation. The soil is sandy to the loam. The area can be hilly in places. NCF has a limited one track trail trail a network of two highways and fire roads. Northumberland County Trail Riders are the host club and own club property adjacent to the NCF. Haliburton and Highlands East - Riding areas in this part of the province are Crown Lands. Riding is allowed on the trail of the centering system from Goodenham, Ontario, if marked otherwise. This area is rocky and hilly. The tracks range from a tight single track to open a double track. Favorite riding area for those looking for a challenge. Hosting Club Haliburton Trail Riders. The area is home to Corduroy Enduro and Trail Ride and Soggy Boot Trail Ride. Madawaska - Riding areas in this part of the province crown lands. Riding is allowed on the trail of the centering system from Madavsk, Ontario, if marked otherwise. This area is rocky and hilly. The tracks range from a tight single track to open a double track. Favorite riding area for those looking for a challenge. Hosting Club Haliburton Trail Riders. Algonquin 2 Day Trail Ride is located in the area. Sommerville Forest and Victoria Rail Trails - You should have an OFTR membership to drive in this area near Kinmount, Ontario. Access to VRT is only from Kinmount to Burnt River. Sommerville Forest is located just off Monk Road, west of Kinmount. The suglin soil and valleys make this a huge place to ride for those who want to challenge. Hosting Club Haliburton Trail Riders. The area is home to Corduroy Enduro. Limerick Forest - This is a 5,782-hectare community forest located in eastern Ontario, owned by the United Counties of Leeds and Grenville, and managed by a forest manager. The Bytown Motorcycle Association and OFTR are partners of Limerick Forest.You must be a member of OFTR to ride here. This forest is a large area for all levels of rider, sand base, 70% pine plantation, with a slight change in height. This is one of the best riding areas for the family, new starting, and just remembering how to ride riders. It is also a great construction/practice area in a forest plantation, very close to Ottawa. No problem if you only have half a day. Limerick Forest has about 40 km of one track and 40 km of two tracks used by several types of users: off-road motorcyclists, quad bikes, cyclists, tourists, hunters (it is better to avoid during the season of deer), riders and others. The ski zones are divided into two zones 1.5 km apart! There are no routes between areas you have to choose one or the other to drive in, as there is a swamp between them, and connected only by a gravel road - see our caution below in using the road. Both areas have good parking, but we ask riders to park in the southbound parking lot (pit) for safety and privacy reasons. (Out of sight and crazy!). Both parking lots have primitive amenities. The BMA is the host club. Laroze Forest - This is the newest BMA riding area, and happened in the lengthy efforts of a small number of BMA members working diligently and diligently with County County to gain access to this county-owned forest. You must be a member of of of the OFTR ride here. The Larose Forest riding area offers short technical single track loops in the open pine forest at the beginning. Approximately half of the loop is suitable for beginner riders, the other half is suitable for intermediate or higher riders. It is usually a flat terrain, with shallow ravines, and some short high shores (such as riding on a ditch dredging), parts of the trail are root and rough, and there are parallel log and cross bridges. As a small compact area, you will never be more than a couple of kilometers away from the parking lot. The BMA is the host club. Calabog District - Thisis is one of Ontario's most envied riding areas! Every year riders come from southern Ontario, quebec, New England states and sometimes from even further away to experience the annual Calabogie Boogie. The Calabogie ski area is quite large, amounting to approximately 5,000 - 10,000 square kilometers! Трассы могут быть найдены как на общественных (Корона Онтарио) и частных земель в трех графствах Ланарк, Ренфру и Фронтенас и в целом: к западу от шоссе 511, к югу от шоссе 508, к северу от шоссе 509 и к востоку от Олма, Некоторые из основных достопримечательностей верховой езды / тропы системы могут быть найдены следующими КЗП тропа - 45 7'41.19N, 76°41'18.55W 77 Негородная трасса - линия гидробашни - 45 8'41.00N, 76°48'17.69W Вмрас гидроэлектростанции линии - 45°12'53.22N, 76°42'17.68W Тройная башня гидро линии - 45 6'2.43N, 76°40'56.28W Три бобра пруд лесозаготовки дорог - 4512'53.22N, 76°42'17.68W Окунь озеро - 45 6'24.23N , 76°43'50.71W Левант-Маунтин - 45 1'59.45N, 76°40'6.01W МЗМ / к востоку от 511 Горный Chute Express - 45 7'58.22N, 76°52'38.12W Эверррин Маунтин - 45 8'18.52N , 76°55'6.54W Parking areas Highway 580 (North Madawaska) pit - 45 15'16.98N, 76°51'1.72W Ride on Newfie Autoban Mountain Chute Dam (top of the hill) - 45°11'32.40N, 76°54'14.59W ride Evergreen Mountain Highland Golf Course - 45°16'28.56N, 76°43'45.45W Ride #77 and KPP Trails Flower Station - 45 9'27.70N, 76°41'14.01W ride #77, Lake Perch, Triple Tower, Three Beaver Pond, Bumpas Trails Levant Station - 45 2'35.37N , 76°42'7.51 W ride Levant Mountain, Triple Tower MLM - 4511'33.02N, 76°34'59.82 W ride MSM, Campbell Rd, Triple Tower, and east of 51 What are the different riding types of tracks/ Forest Access Rd, Rookie/Rookie Old Rail Bed, Rookie/Rookie 4 Wheeler and Jeep Trails, Rookie - Road Logging Expert, Beginner - Intermediate One Track, Beginner - Expert What Terrain Can I Expect to Encounter?
